Experience

Frontend Developer (React, Next.js, TypeScript), Freelance

September 2024 – Present // Paphos, Cyprus

- → Designed and launched LeadBridge, a Proptech micro SaaS, using Next.js, TypeScript, Supabase, and Shadcn UI.
- → Created Next.js, Strapi Portfolio Starter, an open-source template for modern developer portfolios.
- → Leveraged Next.js's static and server-side rendering for high performance and scalability.
- → Integrated APIs, automated CI/CD pipelines, and managed cloud deployments with Docker and Coolify.
- → Strengthened expertise in product thinking, full development lifecycle, and modern frontend architecture.

Frontend Developer (React, WordPress), IronFX

January 2022 – August 2024 // Hybrid work

- → Developed custom React SPAs and WordPress plugins for multiple brands.
- → Introduced modular and scalable plugin architecture, improving maintainability.
- → Optimized development workflows using Docker and modern JavaScript tools.
- → Created reusable components, boosting team productivity.
- → Led cross-department collaboration and authored comprehensive documentation.

Sole October CMS Developer, Webmors

August 2019 – December 2021 // Remote work

- → Established core development workflows and best practices for a new agency.
- → Delivered 20+ custom October CMS websites for real estate, e-commerce, and other sectors.
- → Developed themes and plugins; guided designers in Figma and web design principles.
- → Provided ongoing technical support and training for seamless project delivery.

Sole WordPress Developer, Enigma Global

June 2018 – July 2019 // Paphos, Cyprus

- → Managed the full lifecycle of WordPress projects, from requirements to deployment and maintenance.
- → Developed custom themes and provided tailored web solutions for clients.
- → Collaborated with designers and clients to deliver high-quality, performant websites.
- → Delivered training, documentation, and ongoing technical support.

Education

BSc in Computer Engineering, University of Cyprus

2011 – 2016 // Nicosia, Cyprus
